Name: Ioannis Iakovou
Year of birth: 1971
Place of birth: Thessaloniki
Occupation: Nuclear Physician, Professor of AUTH
Head of the 2nd Laboratory of Nuclear Medicine @ Univ Hsp AHEPA

Married with 2 children

Training

- Degree in Medicine 11/1995 Aristotle University School of Medicine, Crece (AUTH)
- Rural GP (community doctor) : Rural Clinic of the Port of Thassos 02/1996- 02/1997
- Residency training: -Specialty of Internal Medicine POLYGYROS hsp 05/1997-05/1998
-Specialty of Nuclear Medicine (and Radiology) at Univ. hsp IPPOKRATIO, Thessaloniki 06/1998 - 07 /2001
-Specialty of Nuclear Medicine (Endocrinology and Radiology) 02/2003-1/2004 at Anticancer hsp THEAGENIO, Thessaloniki.
- Aviation Doctor (military service) 08/2001 - 1/2003
- Degree in Nuclear Medicine 4/2004
- PhD: AUTH Medical School 1998-2003
- MSc: MBA "Management of Health Units" Hellenic Open School of Social Sciences University, 2008-2010

Professional experience

- Degree in Medicine 11/1995
- Rural GP (community doctor) : Rural Clinic of the Port of Thassos 02 / 1996- 02 / 1997
- Residency training: • Specialty of Internal Medicine POLYGYROS hsp 05 / 97-05 / 98
- Specialty of Nuclear Medicine (and Radiology) at Univ. hsp IPPOKRATIO, Thessaloniki 06 / 98 - 07 / 2001•
- Aviation Doctor (military service) 08 / 2001 - 1 / 2003
- Specialty of Nuclear Medicine (Endocrinology and Radiology) 02 / 2003-1 / 2004 at Anticancer hsp THEAGENIO, Thessaloniki.
- Degree in Nuclear Medicine 4/2004
- Curator of Nuclear Medicine at the Gen. hsp PAPAGEORGIU (06 / 2004 - 03 / 2006) - Lecturer at AUTH (3 / 2006 - 6 / 2011)
- Assistant Professor of Nuclear Medicine, Aristotle University of Thessaloniki (6 / 2011-10 / 2015)
- Permanent Assistant Professor of Nuclear Medicine, AUTH (10 / 2015- 12/6/2018)
- Associate Professor of Nuclear Medicine, AUTH (13/6 / 2018- 11/2022)
- Professor of Nuclear Medicine, AUTH (11/2022- today)

- Coordinator / Director of the Nuclear Medicine dpt of Aristotle University of Thessaloniki, Univ. Hsp AHEPA, Greece (1/9/2019- today)

IN TOTAL 28 yrs clinical experience (20 in Nuclear Medicine)

Academic Experience (training)

- Residency training in Nuclear medicine: Univeristy hsp Ippokratio, Thessaloniki & Anticancer hsp THEAGENIO Thessaloniki 1998- 2001 & 2003-2004
- Postgraduate program: "Transplant Coordinator", AUTH, 2000
- Postgraduate Training Program for AUTH Instructors, AUTH, 2006
- University of Pisa. Department of Endocrinology. Prof. Aldo Pinchera Training in Differentiated Thyroid Cancer management July 2007
- Training in the application of radiosynoviorthesis and ultrasound joint examination in the therapeutic department of Nuclear Medicine of prof. Gynter Modder (Univesity of Cologne Germany) November 2009
- Training in Selective Internal Radiotherapy (SIRT) and PET / CT at the Klinik für Nuklearmedizin of the Universitätsklinikum des Saarlandes, Homburg, Germany after educational leave no. 26195 / 09.04.12 April-June 2012
- Training in Selective Internal Radiotherapy (SIRT) and PET / CT at the Klinik für Nuklearmedizin of the Universitätsklinikum des Saarlandes, Homburg, Germany February 2013
- Continuation of training in hybrid imaging with PET / CT in Service d'imagerie diagnostique et interventionnelle, Service de Medicine Nucleaire , Center Hospitalier du Valais Romand, Sion, Suisse
- Continuation of training in hybrid imaging with PET / CT, Selective Internal Radiotherapy (SIRT), radioimmunolysis (RSO) and treatment with 177Lu-PSMA DOTATATE Zentrum fur Nuklearmedizin und PET / CT Bremen from 15/7 to 5/8/2019 in Bremen , Germany
- Training in PET / CT, in the treatments with 177Lu-PSMA and 177Lu-DOTATATE, in the operation of baby cyclotron and in house production of radiopharmaceuticals in the Department of Nuclear Medicine of the German Oncology Center (GOC) in Cyprus (Limassol) after six months educational leave (Rector's Act 31314/2020) 1/09/2020 - 28 /02/2021.
- "Spring Seminars" of AUTH Instructor Training, 4-6/2021

Academic Experience (Teaching)

- 2006 – today
 - Undergraduate teaching fields
- @ Medical School
Nuclear Medicine, Radiology, Medical Physics, Radiobiology – Radiation Protection, Nuclear Medicine and Radiopharmaceutical Chemistry.
- @ School of Pharmacy
Nuclear Medicine, Radiopharmaceutical Chemistry and Radiation Protection,
 - Postgraduate
- @ Democritus University Of Thrace:
Ionizing and non-ionizing radiations. Safety in work environments with radiation”
- @ Aristotle University Of Thessaloniki:

Salivary Glands Imaging (Nuclear Medicine, Radiology, Radiobiology – Radiation Protection)

Research Methodology In Medicine And Health Sciences

Advances in Diagnostic Imaging (Nuclear Medicine, Radiobiology – Radiation Protection)

Endocrine Gland Surgery (Nuclear Medicine, Radiobiology – Radiation Protection)

Thyroid and Parathyroid Surgery (Nuclear Medicine, Radiobiology – Radiation Protection)

- 2016- 2021 Responsible of the continuing education of Hellenic society of Nuclear Medicine and Molecular Imaging.

- 2019-2020 EANM Thyroid Committee representative in European School of Multimodality Imaging & Therapy (ESMIT)

- 2016-Today National Representative in UEMS

(Inter-)National Associations / Committees

2009-2011 Vice president of Hellenic Society of Nuclear Medicine of Thessaloniki

2014-2020 Member of the Thyroid Committee, European Association of Nuclear Medicine

2016-now Member of Radiopharmaceutical and radioactive products Scientific Approval Board of the National Organization for Medicines (EOF).

2018-now Member of Quality Of Life Group (QLG) tou European Organisation for Research and Treatment of Cancer (EORTC)

2019-2020 EANM Thyroid Committee representative in European School of Multimodality Imaging & Therapy ESMIT(2019-2020)

2019-now Member of the board of Hellenic Society of Nuclear Medicine & Molecular Imaging

2019- now Member of UEMS/EBNM Committee for Accreditation of Nuclear Medicine Departments and Nuclear Medicine Training Centers

2019-now Secretary of the Hellenic society of salivary glands

2020-2021 Senior advisor of EANM Thyroid Committee

2021-now Member of Radiation Protection Committee representing EANM in European Radiation Dosimetry Group (EURADOS), guidelines representative in EANM's Guidelines Council.

2023-now Expert in radiopharmaceuticals for the ONCOLOGY European Specialised Expert Community (ESEC). Greece in European Medicines Agency's (EMA) Committee for Medicinal Products for Human Use (CHMP).

2023-now Specialist in radiological and/or nuclear medical countermeasures supporting EMA's Emergency Task Force (ETF) activities.
