WFNMB Treasurer
CANM President

FRANÇOIS LAMOUREUX

MD, MSC, FRCP(C)

Sharing my Experience, Motivation and Goals

As President-Elect of the WFNMB, I will bridge connections with you worldwide

I currently serve as the Treasurer of the World Federation of Nuclear Medicine and Biology (WFNMB) and as the President of the Canadian Association of Nuclear Medicine (CANM). For over 30 years, the CANM has worked closely with the WFNMB. I firmly believe that the WFNMB plays a vital role globally, fostering stronger partnerships among countries to ensure the enhancement of nuclear medicine.

With the development of new detectors, novel radiopharmaceuticals, and the rapid expansion of theranostics, the WFNMB is needed more than ever as a key interlocutor. I have strong relationships with the International Atomic Energy Agency (IAEA) and firmly believe that through this partnership, the WFNMB can significantly increase the availability of nuclear medicine for patients worldwide, especially in emerging countries.

The WFNMB is widely regarded as a well-respected organization, and I would be delighted to work closely with the executive board to enhance access to high-quality nuclear medicine across the globe.

As a professor of nuclear medicine, I have trained many residents, authored numerous publications and presentations, and genuinely believe that nuclear medicine has a promising future.

Please join me in these important endeavors by endorsing my candidacy as President Elect of the WFNMB.

I look forward to working with all and each of you and to assist you in achieving your professional goals and endeavors in Nuclear Medicine.

Best personal regards,

François Lamoureux

Curriculum Vitae

FRANÇOIS LAMOUREUX

B.A., M.D., M.Sc., L.M.C.C., C.S.P.Q., F.R.C.P., A.B.N.M.

1972 M.D.

Certified Physician from the Faculty of Medicine, University of Sherbrooke

1976 M.SC

Master of Science, Nuclear Medicine, University of London, England, 1976

L.M.C.C

Licentiate of the Medical Council of Canada UWO, London, Ontario

C.S.P.Q

Specialist in Nuclear Medicine, Collège des Médecins du Québec

F.R.C.P

Fellow of the Royal College of Physicians of Canada in Nuclear Medicine

A.B.N.M

Board Certified by the American Board of Nuclear Medicine

PROFESSIONAL EXPERIENCE

Honorary Member

Nuclear Medicine departments at CHUM (Montreal University Hospital) and in Abitibi-Témiscamingue, Canada

2019 - Present

PRESIDENT

Canadian Association of Nuclear Medicine

2022 - Present

TREASURER

World Federation of Nuclear Medicine and Biology

FORMER ASSOCIATE MEMBER

Nuclear Medicine departments at Verdun Hospital, Sept-Îles Hospital, Santa Cabrini Hospital, and Sorel Hospital

FORMER ACTIVE MEMBER

Nuclear Medicine Unit in Val-d'Or, Quebec, Canada

ADVISORY MEMBER

Nuclear Medicine, Centre Hospitalier Universitaire de Montréal (CHUM)

François Lamoureux
